Subject SF New Mexican - Staci

History: This message has been replied to.

We had no luck getting anyone in the WO to speak to Staci before her deadline. So, I asked Judy to look over the information Ellen gave us and then Judy sent this information to Staci along with the some policy and regulation citations. She also spoke to Staci who was happy to get this electronically and talk to Judy for a couple minutes. I just wanted to let you know that hopefully Staci has what she needs and she does have Judy's number in case she has questions....karen
