Hi Derek. Here is a Rainbow Guide I pilfered from the internet. You may have seen, if that is the case please disregard. But if not, this is very useful to understanding the whole affair. Brain and I went through this in 1998 on the Springerville RD, A-S NF's - so if you need our help, we're available to assist. As is all/any of my staff you'll feel can assist you.

I spoke with Dan about Hydro referral team - he wanted me to leave you on it, however, if you get embroiled into the gathering, your excused and we'll go forth without you - I added Chantel to the Team just in case. Good Luck! THX! Jon
