**Rainbow Gathering 2009
Cuba Community Business Visit
June 29, 2009**

Village of Cuba

██████████-No Complaints or concerns.

Cuba City Police

Comment-getting a lot of calls about people being at the McDonalds/Circle K.

Post Office

██████████ (██████████)- No complaints or concerns

Cuba Health Center

██████████ (██████████████████████)- No problems, concerns or complaints.

██████████-Have seen a few Rainbow family members in the health center but no problems. The health center will be closed on July 3, 2009. The ambulance will be the only medics available.

McDonalds/Circle K

██████████-Complaints that the Rainbows are holding up signs that say they need gas, money and donations. They are also approaching customers and asking them for gas, money and donations.

Some have been eating out of trashcans.

Numerous complaints from tourists.

Taking the toilet paper and paper towels from the bathrooms.

They get "mean" when clerks don't have the liquor or tobacco they want.

Prescillianos

██████████-No Problems

Conoco

██████████-Give one warning. If they do not leave after that then they have cops come and escort them away.

Denny's Chevron

██████████ and ██████████-No complaints or concerns. Needed more maps to hand out to public.

Mickey's Saveway

██████████-Rainbows hang out for long periods of time in the parking lot. But other than that no complaints.

Ortega's Insurance Agency

No complaints or concerns

██████████ (██████████) ██████████ was very rude when visited. She complained about getting so many news releases. She said it is all the same information. I explained that the news release is information she needs to be aware of and there should be more Rainbows coming into Cuba by the end of the week. ██████████ was not interested. I continued to explain to the clerk at the counter.
